

PNG: Opportunities in Markets

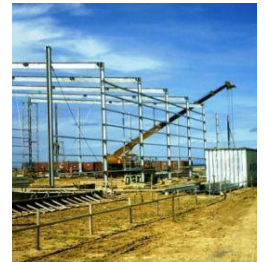

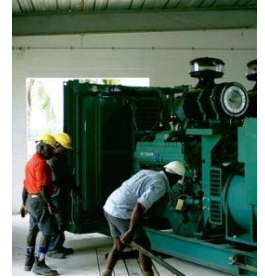

We're bringing the business to you.

The multi-billion dollar ExxonMobil LNG Project has opened up the Papua New Guinea market dramatically and there is a growing demand for everything from food to construction materials and technical knowhow.

To ensure you are not left out of the action, New Zealand Trade and Enterprise and the New Zealand Papua New Guinea Business Council are bringing the business to you. Join them in Auckland as they host a working lunch for a high level delegation from Queensland led by Hon Stephen Robertson MP, Minister for Natural Resources, Mines and Energy and Minister for Trade, and Mr Ian Fletcher, Director-General, Department of Employment, Economic Development and Innovation.

Queensland has a strong connection with PNG. Find out how your business can take advantage of Australian connections into PNG.
